IMT Nord Europe APPLICATION FORM 2023

Application Deadline: June 30th, 2023

We advise that you start as early as possible, it may take time to gather all supporting documents necessary to your application.

Application fee

The application processing fee is **60 euros**, payable through bank transfer. Please note that this fee is non-refundable, even if an application is denied or if the candidate abandon.

If the bank transfer is made by a third party (family member, company, etc.) please make sure to inform the Admissions team by sending an email to master-of-science@imt-nord-europe.fr.

Selection Procedure

Step 1: The Admission Team reviews the application documents. If an application is selected for further consideration, we shall notify the applicant by e-mail and give instructions on the next step to take.

Step 2: Applicants will be interviewed by the Admission Team and/or the Head Teacher of the Program. Applicants may not need to come to France for the interview depending on the other arrangements we can make. The working language of the interview is English.

Step 3: Following the interview process, a feedback will be given to all students in the next few days. If you are admitted to IMT Nord Europe, congratulations and welcome!

Identity

Mr Mrs

Last Name: _____ Birth Name: _____

First Name: _____

CAMPUS France Code (for foreigners if already registered): _____

Date and Place of Birth: _____ Age: _____

Nationality: _____

Address: _____

Post Code: _____ Town: _____

Country: _____

Phone: _____ Email: _____

Educational Background

Diploma (exact title of the degree)	Honours	Establishment (complete name)	Major	Graduation Year

Languages

English:

Proficient Advanced Intermediate Elementary

Note for non-native English speakers: applicants need to provide a document attesting their English language knowledge, equivalent to minimum B2.

French:

Proficient Advanced Intermediate Elementary

No level of French is required to be admitted in the Master's programs.

Although you do not need to speak French in order to complete the graduate degree, we believe that some basic French language skills are necessary to facilitate your everyday life in France. French classes are included in the program.

A good command of French language will indeed increase your employability in France upon graduation. No additional fees are charged for language courses.
